## Meeting Minutes

## Financial Report

Kevin Banning passed around a copy of the financial report for everyone to review. He stated the initial numbers for LDR are good, but he is still awaiting some checks and some outstanding expenses. He will report at the next monthly meeting since he will have more specific numbers. He did note that R3 will get to use the train shed for LDR for free next year. The report was accepted by Jen Wilson and seconded by Christina Flack.

Beginning Balance	\$5,2844.37
Income	\$2,382.00
Expenses	\$2,142.44
Ending Balance	\$5,523.93

## Future Races

Jim Larkins sent an updated race schedule to Beth Johnson. Pete Preston reported that All Saints Episcopal Church 5k on October 17<sup>th</sup> is cancelled. There is also a race in Billingsley on November 21 that is requesting timing, but that is the same day as the Turkey Burner and Cain's Chapel. There is also a possible addition on October 31 that Dave committed to last year that needs to be followed up on.

## Old Business

LDR was a success and Family Guidance Center of Alabama Run went well.

### New Business

David Flack lacks 22 miles to get 367 miles for the Sumer of Miles Challenge. He would like a copy of the book, "The Tortoise and the Hare" to present to Avery Ainsworth at Fleet Feet. Walter White stated that he could get a copy for David through the Family Guidance Center.

Beth stated that we need officers for the new fiscal year. They will be elected at the October meeting. A search committee consisting of a past president and two other members is required. Pete Preston agreed to t lead the search committee, David Flack agreed to be a member and Dave Stever was nominated as the third member. Irene Tyner stated that we need a post event meeting for the LDR committee to discuss how things went, lessons learned, etc. so we can use when planning next year's LDR.

Pete Preston stated that he would like to migrate from Active.com to Runsignup.com. Runsignup.com is recommended by RRCA and is much more functional than Active.com. Memberships can be paid through the site and discounts can automatically be applied for R3 members. He would like memberships and races to be paid through this site starting next year.

Patti Preston stated that new members who join in September get rolled into the next year instead of getting just a few months of membership before renewing. There was much discussion among various members about different cutoff points for rollover cutoff, but since membership dues are not high and to keep it simple, September will remain the cutoff month for membership rollover. Patti also reminded everyone that they can pay for multiple year memberships and Kevin Banning agreed. Pete Preston mentioned that once membership is changed to Runsignup.com, auto renewal may be an option.

### Motion To Adjourn at 7 pm

John Johnson motioned to adjourn the meeting and Patti Preston seconded, and the motion was passed.
