Old Business

Pete suggested we find a date and time to go over to our shed and clean out the stuff we don't want to keep. We want to get into a smaller shed as it won't cost us as much for rent.

Remember the Pub runs that are going on. There's one at the Hilltop House on the first Thursday of this month. The Battleship Run is November 13 in Mobile. Sandy said a lot of our runners from our club will be going.

New Business

Pete stated everything is going great with getting ready for our Jubilee Run! We have 130 registered so far to run. Pete said that is in the range of the amount of runners we had registered this time last year. So far we have approximately \$3,750 from our sponsors. We have BC/BS, Beasley/Allen, Jackson Wellness Center, Baptist, and WLWI as sponsors. WLWI will give us air time on the radio to promote our run. We will have 2 more meetings to discuss Jubilee before the run. Pete said we have lots of door prizes to give away!

Dave sent out a message to Road ID to see if they could help us with a door prize and they said not at this time. He sent a message to Rick Peters to see if we can get on the radio to promote our run.

Pete said we can always use volunteers for the run and anyone wanting to come out to help are more than welcome. He stated Jen Nagley from the SNCOA is getting course monitors and people to man the water stops for us. Kathy said maybe we could talk Jen into singing the National Anthem for us.

Jean Forbus stated she wanted to have a run out at her home in Deer Creek on the first Thursday in June. She said she will have a food truck available and Doug will lay a course out for us to run. This is a BYOB run if you wish to bring adult beverages!

There was no other business to discuss, so a motion was made by Pete to adjourn. Dave Stever made the first motion, followed by Kathy Bond, and the meeting was adjourned at 6:47 pm.
